

The U.S. Green Building Council Massachusetts Chapter

2010 USGBC MA Membership Discounts

EVENT DISCOUNTS

Members will receive discounted admission for NEXUS, Green Roundtable and USGBC MA Chapter paid events as stated on the event registration forms.

DISCOUNTED GREEN ROUNDTABLE WORKSHOP FEES

Members receive a discount on workshops offered by The Green Roundtable. To receive your discount, please mention your membership when registering.

DISCOUNT ON BUILDINGGREEN PUBLICATIONS

[BuildingGreen](#) is an independent and leading company committed to providing accurate, unbiased, and timely information designed to help building-industry professionals and policy makers improve the environmental performance, and reduce the adverse impacts, of buildings. Highly valued and respected print and electronic resources are available to help you design and build construction projects from a whole-systems perspective and take an integrated design approach that minimizes ecological impact and maximizes economic performance.

To subscribe for this discounted rate, call Jennifer Taranto at 617-956-3721.

ZIPCAR DISCOUNTS

Zipcar is the world's largest car sharing company, offering self-service, on-demand cars by the hour or day. Zipcar individual members can choose from more than 30 different makes and models -- the largest and most varied fleet of any car sharing service in the world, including gas/electric hybrids.

As a member of the USGBC MA Chapter you are entitled to receive Zipcar membership discounts.

ADDITIONAL BENEFITS

- Receive monthly updates on cutting edge green news, USGBC updates and local green building related events.
- Recognition as a leader and participant in shaping the local green agenda.
- Membership in the MA Chapter entitles you to run and vote in the election for Board of Directors and other matters that may come before the membership.
- Connection to a passionate group of professionals interested in furthering green design.
- Unique opportunities and connection to activities at the USGBC national and international level.
